

Montfort Centre for Education, Tura

Dear Parents,

21st November 2018

Warm greetings! It is with immense gratitude to all of you and to God I write these few lines. We have just completed one academic year. When we recall, we can see so many changes that have happened in the life of our children. They have grown physically, intellectually, emotionally and spiritually. We are happy with the growth that have taken place but we also know that we have to go a long way. We hope to improve in the various areas of teaching and learning process in the coming year.

Talent show:

We had various events in the school to facilitate growth and developments of children. After the Inter House sports, games competitions in the month of February, April, Montfort Talent time was organized in June. Students also took part in various inter school competitions and won prizes.

Parents' Day:

The school parents' day was organized in a different way this year. Lower class students cultural show was mind blowing and exhibition by higher class was a rich learning experience. We are grateful to all the parents who came to appreciate your ward and support the initiatives of the school.

Children's Day:

We had the visit of our Central Administration from Rome and we welcomed them in a fitting manner along with children's day celebrations. The guests were immensely happy and appreciated our effort of inclusive education.

Selection Test for Class X & XII:

The selection test was conducted for class X and XII from 26 October to 4th November. We were forced to detain a few who secured very less marks. 65 students in class X and 46 in XII are selected and special classes are being conducted in the school. The classes will go on up to 8th December and a model test will be conducted after 20th January 2018. All are expected to attuned the class and model exam. Absentees will be punished with fine and other suitable actions as per the decisions of the parents meeting. Hope the students will work hard in the coming three months and all of them will pass with good marks. May I request the parents to monitor and guide the students to study daily and help them to get high percentage of marks. **Model test will be from 22-30 January 2018.**

A few dates to remember and follow:

Event	Date

Dear Parents, the year 2018 was a period of blessings in many ways for children, staff and the management. We have grown in many ways and our children continue to have an all-round development. We need to inculcate more values and character and make them responsible citizens of Garo Hills and our Country.

I wish you all a Merry Christmas and a peaceful New Year 2019. God Bless.
